CAREER OBJECTIVE

Motivated and self-driven Computer Science student with a strong algorithmic foundation and a passion for building modern, scalable web applications. Eager to contribute to innovative software engineering projects, leveraging hands-on experience in React 18, TypeScript, C++, Python, Supabase, and full-stack development. Strong problem-solving mindset with 1,200+ algorithmic challenges solved.

TECHNICAL SKILLS

Programming Languages:	C, C++ (OOP/C++14), Python 3, Java, JavaScript (ES6+), TypeScript, SQL
Frontend Development:	React 18, Next.js, HTML5, CSS3, Tailwind CSS, Responsive Web Design, shadcn/ui
Backend & Databases:	Supabase (PostgreSQL), RESTful APIs, Node.js fundamentals, Database Foundations (DBMS)
Tools & Environments:	Git, GitHub, VS Code, Vite, Vercel, Windows Terminal, Edge DevTools
Core Competencies:	Data Structures & Algorithms, Object-Oriented Programming (OOP), Full Stack Architecture

FEATURED PROJECTS

EchoLearn — AI-Powered Interactive Learning Platform React 18 • TypeScript • Supabase • Tailwind Source Code | Live Demo

- Engineered an intelligent conversational tutoring platform empowering active recall, contextual hints, and real-time knowledge assessment across multiple academic domains.
- Architected adaptive learning paths with interactive feedback loops, decreasing passive study time and significantly increasing concept retention.
- Integrated Supabase for secure cloud authentication, real-time database persistence, and profile tracking.

Quiz Game System — C++ & OOP Examination Platform C++14 • OOP Design Patterns • Vercel Web Portal Source Code | Live on Vercel

- Developed an end-to-end examination platform featuring candidate registration, dynamic ID pass generation, timed MCQ evaluations, anti-cheat tab-switching guards, and persistent leaderboard rankings.
- Implemented strict OOP design principles (Encapsulation, Polymorphism, Modular Architecture) paired with modern web interface and instant merit certificate issuance.

Medicare Assistant — AI-Powered Healthcare Insurance Guide React 18 • TypeScript • Supabase • Vite Full Stack Platform

- Designed an accessible, high-contrast healthcare insurance guide helping seniors instantly navigate Medicare plans (Part A, B, C & D), verify coverage limits, and calculate out-of-pocket costs.
- Engineered intuitive conversational decision trees with privacy-conscious client-side data handling.

COMPETITIVE PROGRAMMING & CODING CREDENTIALS

- **1,200+ Algorithmic Problems Solved** across leading platforms (LeetCode, CodeChef, HackerRank, GeeksforGeeks, Codeforces).
- **CodeChef:** 900+ problems solved, 1400+ peak rating, 13 contests attended. Awarded 100-Days & 1000-Problems badges.
- **LeetCode:** 173+ problems solved (142 Easy, 27 Medium, 4 Hard), 13 contests attended, active global badge earner.
- **HackerRank:** 16★ total — 4★ Problem Solving, 4★ Python, 3★ C++, 65+ specialized algorithmic challenges completed.
- **GeeksforGeeks & Codeforces:** 140+ problems solved on GfG (321 score); active participant in Codeforces algorithmic rounds.

HACKATHONS & KEY ACHIEVEMENTS

Smart India Hackathon (SIH) 2026 & SIH 2025 Sep 2026 & Sep 2025

Aditya University (EDC & IIC) / Ministry of Education, Govt. of India

Competed in 2 consecutive editions of India's premier national hackathon. In SIH 2026, pitched a scalable digital prototype solving civic governance challenges; in SIH 2025 (Team ClassSync), engineered an educational collaboration portal.

HackSprint 2K25 & IEEE YESSIST 12 Jan 2025 & 2024

IEEE Student Branch / Youth Empowerment in Science & Technology

Built a 24-hr community mapping application at HackSprint; standardized an assistive technology concept aligned with UN Sustainable Development Goals (SDGs) at IEEE YESSIST 12.

EDUCATION

Aditya University, Surampalem, Kakinada 2024 – Present

Bachelor of Technology (B.Tech) — Computer Science & Engineering (1st Year)

Viswasai Educational Institutions, Nellore 2022 – 2024

Intermediate (+2) — Mathematics, Physics, Chemistry (MPC) • **97.8% Aggregate Score**

ZPHS Venkatachalam, Nellore 2021 – 2022

Secondary School Certificate (SSC) • **91.33% Aggregate Score**

VERIFIED CERTIFICATIONS

- **Database Foundations (DBMS):** Oracle Academy
- **Python Essentials 1:** Cisco Networking Academy / Python Institute
- **MS-OFFICE Certification:** Sri Muppavarapu Foundation, Nellore
- **Introduction to Data Science:** Cisco Networking Academy
- **C Essentials 1:** Cisco Networking Academy / C++ Institute
- **Agile Software Development:** Coursera / Authorized Partner
